### **DETAILED ACTION**

1. Claims 1-30 are allowed.

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or fairly suggest a plurality of pressurization rings within a support structure wherein magnetic controller are associated with the rings and configured to apply pressure to a correspondingly annular region of the backside of the semiconductor device as disclosed in claim 1 of the present invention.

Additionally, the prior art of record fails to teach or fairly suggest a plurality of independently movable pressurization structures located within the support structure wherein a plurality of actuators are associated with the pressurization structures so as to independently bias the corresponding pressurization structure against the backside of the semiconductor device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sylvia R MacArthur whose telephone number is 571-272-1438. The examiner can normally be reached on M-F during the core hours of 8 a.m. and 2 p.m.
